

Freight Policy & Charges to Stockists

As of 01/01/2010

The Exclusive Collectables freight policy and charges were introduced in 2010 due to the continued increase in freight costs. Exclusive Collectables does not profit from the charge of freight to its stockists and all freight charges are a direct calculation from the assigned freight handler.

2010 Freight charges

Single Carton Orders	\$20.00
Invoices of \$500.00 or under (that include the shipment of multiple cartons)	8% of invoice value
Invoices between \$501.00 - \$1000.00 (that include the shipment of multiple cartons)	4% of invoice value
Invoices between \$1001.00 - \$1500.00 (that include the shipment of multiple cartons)	2% of invoice value
Invoices greater than \$1501.00	FREIGHT FREE

Please note that the assigned freight handlers are:

Australia Post
Star Track Express
Rush Express

Thank You for your continued understanding and support.
